## WORK EXPERIENCE

### DESIGN STUDIO ASSISTANT INTERN

Planning, Architecture and Real Estate at The Ohio State University

2024 - Present

Assist in design projects for The Ohio State University, ranging from graphic and interior design to large-scale conceptual work. Collaborate with designers to bring forward new ideas and support the execution of existing ones. Visit and work with clients to understand their problem areas and provide visuals to convey possible solutions in an easily understandable format.

### STUDENT MANAGER

Traditions at Scott at The Ohio State University

2022 - 2024

Oversee and train teams of student workers to ensure a smooth and efficient workplace. Rotate from managing, cooking, stocking, and general upkeep. Run the floor, handle conflict and adversity, and aid in improving the student experience of the dining hall.

- Hired as entry-level employee, gained two promotions in under two years

### GRAPHIC DESIGN APPRENTICE

MMC Digital Lab at The Ohio State University

2021 - 2022

Learned Adobe Illustrator and Adobe Photoshop in order to create marketing flyers for the Media and Marketing Community Digital Lab. Self-instructed work that required discipline and motivation for improvement.

### BOOKSELLER

Learned Owl Bookshop - Hudson, Ohio

2018 - Present

Customer service, assisting through phone calls. Stock checking, shelving, receiving goods, and importing orders. Offering and selling personal recommendations after building client relationships.

- Worked throughout high school, and have continued working the past holidays following my high school graduation
